LA COSTA
RESORT AND SPA®

CALIFORNIA

BELIEVE IT.

In the sun-kissed hills of Southern California, more than forty years of legend-making has created a resort like no other. You know it, from the moment you step into the welcoming plaza, with its cooling fountains, Spanish Colonial charm and bustling energy. You've arrived.

Here, 400 coastal acres brim with recreational pursuits and a rich sporting history. Tournament-caliber greens and courts have given rise to champions, entertained Hollywood stars, and offer endless rewards for active travelers. And here, the nation's first resort spa has reinvented itself for a brand-new generation.

EXPERIENCE IT.

This is the memorable vacation you've promised yourself. The romantic escape you promised each other. The fun-filled adventure you promised the kids, without compromising an ounce of luxury. This is a resort as new and fresh today as when it first opened its doors in 1965. This is La Costa Resort and Spa. And you've got to see it to believe it.

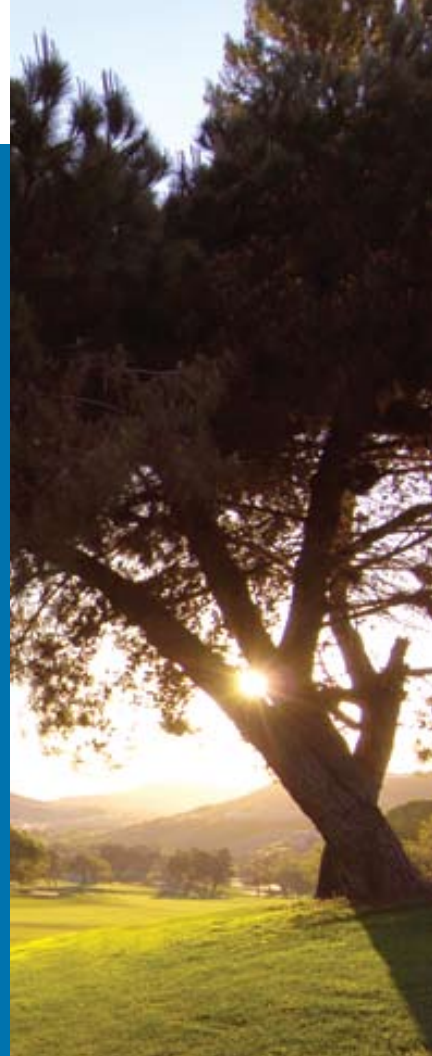

PLAY IT.

Tiger. Venus. Trevino. Sharapova. Champions, all. And they are among the many who have claimed titles on La Costa's hallowed sporting grounds.

Create a legacy of your own with golf on two championship Dick Wilson courses steeped in 40 years of PGA Tour history. Test your racquet skills at a world-class Tennis Center that has courted the game's top players.

Individual lessons and group clinics, taught by the best in the business, will keep you on your game, while a state-of-the-art fitness center balances the latest equipment and a full array of classes with one-on-one fitness and nutrition counseling.

SURRENDER TO IT.

Your spa experience begins with an invitation to indulge. To invigorate. To inspire. Your intention is yours to choose, and from there, you give yourself over to the expert hands of a La Costa spa therapist. Surrender, you soon learn, has its rewards.

From the sanctuary of its private VIP suites to the diversity of its signature treatments, the legendary Spa at La Costa continues to raise the bar on luxury spas. Enhance your experience further with Ayurvedic therapies at the world-renowned Chopra Center and a visit to the acclaimed Yamaguchi Salon, with its feng shui approach to beauty. Then, reconnect with your appetite over a refreshing treat from the tempting Spa Café in the tranquil setting of the Spa Courtyard.

LIVE IT UP.

Every day is a new day at La Costa, with countless opportunities to fill your leisure hours.

Dining is a culinary adventure that takes you from the exciting coastal cuisine of BlueFire Grill to the casual al fresco fare of the Splash Poolside Bar & Café.

Seven sparkling, heated pools let you slip away for a quiet evening swim under the stars or embrace the full-throttle thrills of Splash Landing, with its exhilarating water slides and a waterplay zone for the youngest guests.

Children enjoy hours of fun at the Kidtopia kid's club, while teens have a place of their own at the ultra-cool Vibz. And a constantly changing calendar of activities offers everything from surf camp to culinary events. Minutes away, a sandy Pacific beach beckons, while just beyond lie the world-class attractions of San Diego.

DREAM IT.

At La Costa, serenity comes in endless shades. So if you were to drift off to the tranquil rhythm of cascading water in the spa courtyard, or steal a late afternoon nap in the shade of a private poolside cabana, who could blame you? But when it's time for serious slumber, there's no pleasure greater than slipping into the comfort of your bed at La Costa, with its layers of perfectly crisped linens.

And whether you awaken to the expansive luxury of a Villa, to the classic elegance of a Spa Room, or the romantic charms of a La Costa Suite, you'll find yourself surrounded by every modern comfort as a new day at La Costa unfolds.
